Party in the Park Funds New Play Equipment

The Party in the Park Committee has ordered a brand new piece of Play Equipment for Children to be installed in the park shortly.

It was identified that younger children do not have as much equipment to play as the older children. As such it was agreed to provide the new equipment to cater for children who are under 6 years old.

Hopefully the new equipment will be installed prior to this years Party in The Park the date for the event is 11th July from 12pm.

The equipment has a slide and a number of climbing options as well as seating underneath it for the little ones to sit on and play hide & Seek.

We hope it will bring loads of fun for years to come in the future.

The Party in the Park Committee are asking for volunteers to assist on the day. They need help from Residents to run the stalls and assist on the day.

If you feel you can assist and help support the event by running a stall or by assisting setting up or clearing up after

the event please can you contact:

Milton Keynes Play Association Comes to TMA

Milton Keynes Play Association (MKPA) are to run 4 play schemes over the half term and Summer holidays on Two Mile Ash. These events are being funded by Abbey Hill Parish Council.

This is as a result of a TMA Resident bringing The MKPA and the work they do to our attention. To Bring the MKPA to TMA is great news for Res-

idents and their families.

We are sure these events will be a massive success and if they are will review Resident feedback and potentially look at making them a permanent fixture on TMA.

Further details can be found at the MKPA Website:

All Change The Bus goes from the Number 4 to the Number 14

Some of the Residents have become aware of some major changes to our local Bus Route.

We on the Parish Council had no visibility of the changes that were made and we did not receive any formal

notification or consultation from the Bus Company.

As such we understand that there are numerous concerns being raised by Local residents, as such we would really like to hear from Residents regarding the changes and what im-

pacts the changes are having on you personally in your day to day lives. Please can you email the Parish Council Clerk with your views
